Pellestrina Island - Venice

TAI CHI

32nd International
Tai Chi and Chi Kung Seminar
28th of June - 2nd of July 2017

THE LOCATION AND VENUE

Marino Village of Ca' Roman dates back to the beginning of the last century on the island of Pellestrina due to the initiative of some families from Padua wishing to accommodate sick children.

This structure is to this day heritage of the Villaggio Marino Ca' Roman Association. The island offers vast green areas adjacent to an uncontaminated beach.

The island, which is also an oasis counts over 100 species of birds, both residential and migrant, censured within its boundaries, a testimony of its great value in biological diversity. It proves particularly suitable for occupational and climate therapy residence. Isolated, yet with regular transport to the historical centre of Venice, Chioggia and the mainland it relishes in a favourable position.

The open spaces, the large halls, country lanes and playing fields candidates this complex as a meeting place for cultural exchanges.

The Practice of Beauty

“nothing touches the soul, nothing brings it enthusiasm like the moments of beauty- of nature, of a face, of a song, a play or a dream, and we feel that these moments are purely therapeutic: they give us awareness of the soul and teach us to guard its value. We are touched by beauty”

JAMES HILLMAN
