### ***Cancellation***

Cancellation takes effect from the date that we receive your cancellation instruction. For cancellations made 8 weeks before the workshop, the deposit will be forfeit, but any balance payment already made will be refunded. Cancellations made 3-8 weeks before the module commences the deposit and 50% of balance will be forfeit, £50% of balance will be refunded. In cases where the module is cancelled 3 weeks or less before it commences will receive no refund of any kind.

If for any reason beyond our control we have to cancel the retreat, then refunds will be made in full.

### ***Getting there and venue details***

Hascombe Village Hall, Mare Lane, Hascombe, Surrey GU8 4JH

Free parking is available at the venue. For anyone using public transport, the nearest railway station is Godalming. The No.42 bus runs from Guildford bus station via Godalming High Street to Hascombe.

### ***Accommodation***

Godalming has a range of small hotels (including a Premier Inn) and B&Bs available. Searches on airbnb, tripadvisor or similar will provide details of the range available.

### ***Catering***

Tea/coffee and water will be available at all breaks throughout the course.

Lunch is not provided but we encourage everyone to bring food to share on the Saturday and Sunday sessions (please note there are no shops available in Hascombe itself). We will arrange a table at a local restaurant on Saturday evening for all participants who would like to join us at their own cost. Nearest supermarkets are in Godalming.

If anyone needs advice regarding accommodation or catering, please contact Debbie directly.

### ***Ongoing practice***

To ensure you gain maximum benefit from the course, you need to practice regularly. To support your ongoing practice the Biospirals Training School runs regular classes and workshops to help you progress. We will keep you updated about classes and workshops and the annual Aquavenice Tai Chi conference at which the Biospirals Method is showcased.

### ***Teaching Certificate***

For those wishing to teach the Biospirals Method, you will need to complete all three modules and coursework and undergo successful examination. Once the training course is completed, maintain your personal development by continuing to study and update your skills with The Biospirals Training School. To retain your teaching certificate, you will need to attend a Masterclass weekend annually at which the original course syllabus will be revised.
